OFFICER RUDEBECK REPORTING:

On 07-29-2022 I, Officer Rudebeck #9193, was assigned the downtown district from 1500-0300 hours. I was in full uniform and in marked squad 1013.

At approximately 1623 hours, I was dispatched to a disturbance located near the intersection of West Lawrence Street and South Spruce Street. After I reviewed the call notes, Skylar Ning had called to report that a woman was walking down the road and a male had gotten out of his truck and started beating her up.

Upon arrival, I met with the victim who was verbally identified as Natasha Fuller. Natasha said that when she was walking On Kimball Alley, a white male, who was later identified as Steven Huss, was driving a 2004 red Chevrolet Silverado WI truck plate SA5682 and had honked the horn at her. Steven continued to yell at Natasha, which caused her to fear for her safety. Natasha later had taken her phone out to start recording.

Steven became upset and exited the truck and confronted Natasha. Steven continued yell at Natasha and walk towards her. Steven then grabbed Natasha by the back of her head and had thrown her to the ground and struck Natasha several times on the head. Steven later was able to take the phone away from Natasha and returned to his truck and drove away. Natasha mentioned that she noticed Steven had a firearm on his hip in a holster. Natasha confirmed that Steven did not make any threats with the firearm.

Natasha did not give consent for Steven to grab her and throw her to the ground, hit her, and take her phone. Natasha also said that being thrown to the ground and struck by Steven had caused her pain. When I asked on a scale of one to ten for a pain scale I was told "seven". I noticed a slight cut that was bleeding above Natasha's left eyebrow and a bruise on the left side of her head. Natasha said that she had never met Steven before and was not disrespectful towards Steven before he had attacked her. Natasha later asked for Gold Cross Ambulance to respond to check her out. Natasha was later evaluated by Gold Cross Ambulance and transported to St. Elizabeth's Hospital. Before Natasha was taken to St. Elizabeth's Hospital, I confirmed that she wished to press charges against Steven and said her cellphone was a white iPhone. I also took photos of Natasha's injuries and uploaded them to Axon Capture.

Shortly after, I spoke with Danielle Chapman and Skylar Ning who had heard the disturbance from their residence. Danielle said that while outside, she could see over a fence the top of Natasha's head walking on Kimball Ally. Shortly after, Danielle heard what sounded like a female screaming. Danielle believed that the female was in danger and had gotten Skylar to drive down Kimball Alley. While driving down Kimball Alley, both Skylar and Danielle observed Natasha standing in the alley and approached them asking them to call 911 and that she had been attacked. Danielle and Natasha believed that based off Natasha's demeanor that she seemed fearful for her safety.

After I had spoken to Danielle and Skylar, I was advised by Ofc. Hughes #9160 that he had spoken with Steven's wife and daughter. I was advised that Steven's wife had spoken with Steven via telephone and advised he would meet officers at the PD. For more information, please see Ofc. Hughes supplemental report.

I later met Steven at the PD and completed a pat down and later located a white cellphone in Steven's pocket. I did not locate any firearm on Steven. Steven also mentioned that it was "her phone" (Natasha's). The phone was taken from him, and Steven later agreed to walk inside the PD with Ofc. Hughes and myself.

Steven said that he was unsure why he had attacked Natasha. Steven said that when he was trying to back up his truck from 1127 West College Avenue, he noticed Natasha walking past his truck. Steven later back up his truck and started to drive onto Kimball Alley and noticed that Natasha was walking on the side of the road where there were tire marks. Steven honked his horn and told Natasha to move out of the way. Steven claimed that Natasha became upset and accused Steven of almost hitting her with his truck.

Steven observed Natasha grab her phone and begin to record or take pictures. Steven was worried about being on the internet and quickly exited his truck to confront Natasha. Steven admitted that he had grabbed Natasha and thrown her to the ground and had struck her. Steven admitted that he had taken Natasha's phone and placed it in the truck. Natasha attempted to go inside the truck to retrieve her phone and Steven had pulled her out of the truck and later drove away.

Steven continued to say he was unsure why he acted the way he did. Steven said that he had stressors going on in his life but was unable to tell me what those stressors were. Steven also told me that there was no argument with his family earlier and it was a normal day. I also confirmed

with Steven that he was not diagnosed with any mental health concerns. I confirmed with Steven did have his firearm on him when he attacked Natasha but said that he did not make any threats with his firearm towards Natasha.

Steven was informed that he was under arrest and placed into handcuffs that were properly fitted and double locked. Steven was walked over to Outagamie County Jail without incident. I ended contact with Steven once he was under custody with Outagamie County.

After I had ended contact with Steven, I responded to St. Elizabeth's Hospital to return Natasha's phone. Natasha was able to unlock her phone and showed me the video she had recorded. I observed Natasha trying to change the camera angle and had heard Steven asking Natasha why she was in the middle of the road. Shortly after, Steven continued to walk towards Natasha and then noticed the phone drop to the ground and could hear Steven state "fucking bitch". The video was uploaded on Axon Capture.

Supplemental Narrative

07/29/2022 17:55:49 9160 PAYNE HUGHES

On 07/29/2022 at about 16:22 Hrs, I Ofc. Hughes was working for the City of Appleton as a fully uniformed Police Officer operating marked squad 938. I was dispatched to assist Ofc. Rudebeck on a disturbance at W Lawrence St and S Spruce St. On scene, Ofc. Rudebeck requested I make contact with a female in the alley that claimed to be the suspect's wife. I walked over to the female and she identified herself to me as Ami Huss. Ami stated she was the wife of Steven Huss and had received a phone call from him after he left for work. During the phone call, Steven told her that when he was backing out of the driveway a female was in the alley. He told the female to get out of his way and she gave him some attitude. Ami said Steven told her that he "saw red" after that and pulled the females hair and took her phone.

Ami was not sure where Steven currently was, but knew he was driving his red Chevy Silverado. While I was talking with Ami I asked her to call Steven. She was able to make phone contact with him and it was arranged that he would meet us at the Appleton Police Department (APD) to tell his side of the story. Information had been obtained that Steven was armed with a handgun during this incident and I questioned Ami about this. Ami confirmed Steven does carry a gun. Before leaving, I made contact with another female who identified herself as Samantha. She stated she was Steven's daughter and had arrived as Steven was driving away. She stated she did not see the altercation between the female and Steven, and only saw him drive away.

I later joined Ofc. Rudebeck at the APD and awaited Steven. When Steven arrived, I performed a pat-down of his person and did not locate any weapons. Steven was asked if he would join us

inside to speak with us about what happened, he agreed and walked inside. After the interview was completed, Ofc. Rudebeck arrested Steven and we transported him to OCJ where he was confined without incident.

End of report.
